

VERSATILE, BATTERY-POWERED, FRICTION WELD TOOL

THE B300

Uniquely designed to handle a wide range of applications, the B300 is your new go-to strapping tool, pulling up to 300 pounds of tension. Lightweight and easy to handle, the B300 operates with your choice of polyester or polypropylene strapping. Simple strap guide changes and instructions are included to ensure proper strap tracking with this higher tensioning technology.

FEATURES

- Lightweight, ergonomic design
- Easy to use control panel
- Lithium ion quick-charge battery
- PP or PET strap sizes: 1/2" – 5/8", .020 – .030
- 80% joint efficiency

MIGHTY MITE!
The B300 pulls up to
300 lbs. of tension

ABOUT GREENBRIDGE

Founded in 1974 as Polychem, we rebranded in April 2021 as Greenbridge to reflect our commitment to providing proactive solutions to customers across North America seeking to achieve more sustainable, high-performing operations. Our early reputation was based on our quality polyester, polypropylene and cord strapping. Today, years of growth and strategic acquisitions have made Greenbridge a leading end-of-line packaging supplier, with integrated solutions that encompass tools, equipment, systems, and services that help tame the most challenging supply chains.

Greenbridge is committed to the safety of our team, the quality of our products and services, investing in continuous improvement, advancing the circular economy, and fostering sustainable customer success.
